Dear friends:

You have turned over to us for sale one 1879 Gold Stella with flowing hair in worn condition. It has some dirt remaining in some recesses from being carried around as a pocket piece. I will try to remove this dirt. I will take the coin out of its mount.

We will not sell the piece without getting your approval as to the price.

Sincerely yours

Eric P. Newman
president.

this coin originally belonged to Elvira Dowling's mother's father, Matthias Heil of St Louis. His wife was Louise Herman born in StL in 1861 and died 1951.

Called 9/4/86 + spoke to Mr Dowling. He said OK to $9500 net and I said I would try for more. EPN
